## 26<sup>TH</sup> ANNUAL REPORT-[ 2019-20]

### EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

**The following statement sets out all material facts relating to certain ordinary business and the special businesses mentioned in the accompanying Notice:**

#### **Item No. 3:**

Mr. Anshul Darshan Kukreja (DIN: 08617459) is Commerce Graduate. Mr. Kukreja has a strong commerce background. He has a varied experience of working with manufacturing companies, running his own exclusive regional distributorship and also providing professional consultancy services for business development. He has a sharp acumen in understanding process and systems from the very core and has the ability to come up with original turnaround ideas to revamp the business.

In view of his wide enlightened experience in business and management, Nomination and Remuneration Committee recommended the appointment of Mr. Anshul Darshan Kukreja as an Independent Director. Accordingly, the Board of Directors in its meeting held on 28<sup>th</sup> November, 2019 appointed Mr. Anshul Darshan Kukreja as an Additional Director (Independent). According to the provisions of Section 160 of the Companies Act, 2013, Mr. Sharma will be relinquishing the office at the ensuing Annual General Meeting. The Board of Directors is of the view that associating Mr. Anshul Darshan Kukreja as Director, the Company would benefit immensely. Hence, in compliance with the provisions of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, it is proposed to appoint Mr. Anshul Darshan Kukreja as an Independent Director of the Company to hold office for a consecutive term of five years commencing from 28<sup>th</sup> November, 2019.

The Company has received from Mr. Anshul Darshan Kukreja (i) consent in writing to act

as director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014; (ii) intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014 to the effect that he is not disqualified under Sub-Section (2) of Section 164 of the Companies Act, 2013; and (iii) a declaration to the effect that he meets the criteria of independence as provided in sub-Section 6 of Section 149 of the Companies Act, 2013. Mr. Anshul Darshan Kukreja is not debarred from holding the office of Director by virtue of any SEBI order or any other such authority.

In the opinion of the Board of Directors, Mr. Anshul Darshan Kukreja, proposed to be appointed as an Independent Directors, fulfills the conditions specified in the Act and the Rules made thereunder and he is independent of the Management. A copy of the draft letter of appointment proposed to be issued to Mr. Anshul Darshan Kukreja on his appointment as an Independent Director, setting out the terms and conditions is available for inspection at the Company's Registered Office during the normal business hours on working days upto the date of the Annual General Meeting.

Brief resume of Mr. Anshul Darshan Kukreja, nature of his experience in specific functional areas and names of companies in which he holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between director inter-se as stipulated under Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements), 2015 are provided in the annexure 'A' to the notice.

The Board considers that the continued association of Mr. Anshul Darshan Kukreja would be of immense benefit to the Company

### **MANAGEMENT DISCUSSION AND ANALYSIS**

To avoid repetition in Directors' Report and Management Discussion & Analysis, your Directors have presented a composite summary of performance and functions of the Company.

#### **Economy:**

As per the provisional estimates of Central Statistics Office (CSO), the Indian Economy is estimated to grow at a decent pace. Despite marginal slow down over the last year, India has cemented its credentials as the world's fastest expanding major economy in the world. Going forward, the economy is expected to display a better performance, considering the pick-up in consumption and private investments. Besides, a low inflation expectation for financial year 2019-20 has created further room for monetary easing by the RBI, which is expected to support the growth momentum.

The recent elections have led to formation of a stable government at the Centre. The government is expected to carry forward the reforms agenda. It will continue to focus on building infrastructure. Higher spending on roads, railways, airports, waterways and affordable housing will boost the economy and provide economic opportunities for citizens to grow and improve their income levels. While global economy is likely to remain muted on the back of the ongoing trade dispute between US and China, the

domestic economy should benefit from the government's investment momentum. In addition, the government's boost to rural India in the form of direct benefit transfer will give an impetus to consumption.

#### **Industry Structure and development:**

Garment and apparel industry is susceptible to fast changing trends and styles. It is a labour intensive industry and requires skilled and unskilled labour in large numbers. Further, the industry is pre-dominated by unorganized sector, leading to a cut throat competition in certain segment of the industry from unorganized sector. Internationally also the industry is facing tough competition from countries like Bangladesh and Vietnam where labour is very cheap.

As stated in the previous year's report, due to unabated cut throat competition from unorganized sector and international market, leading to un-remunerative pricing, your Company was compelled to suspended the garment manufacturing business. The garment manufacturing remained suspended in the financial year 2018-19 also. Efforts were made to clear the stocks of garments and fabrics. During the year under review, processing division was also disposed off.

The Company's other business activities viz. property leasing and hostel business has done well compared to previous year. Though the property market in general was sluggish through-out the year under review, property leasing business had shown some sign of improvement.

#### **Performance of the Company:**

As reported in the previous year, manufacturing garments was suspended and processing division was disposed off. The Company sold off the stocks and generated revenue of Rs.121.93 lacs. Total revenue from operations was increased to Rs. 508.12 lacs as against Rs.456.50 lacs a year ago. The

Company incurred a loss of Rs.267.67 lacs as against a loss of Rs. 74.42 lacs in the previous year.

### **MATERIAL CHANGES AND COMMITMENT**

There was no material change and commitments affecting the financial position of the Company between the end of the financial year and the date of this report.

### **Opportunity and threats:**

The Company is totally out of the garment and apparel manufacturing activity and processing division, a loss-making division. The Company will now be concentrating on its leasing of property business and hotel business, which will improve its profitability.

### **Future Outlook:**

Followed by high prices of premises, the rentals are constantly increasing. With more premises of the Company coming under lease, the rental income of the Company is expected to increase substantially. Hostel business is also expected to show healthy growth. With expenses under control, your Directors expects to earn modest profit in coming years.

### **Subsidiary Companies:**

Your Company does not have any subsidiary.

### **Consolidated Financial Statements:**

Since the Company does not have any subsidiary company or associate or joint venture, consolidated financial statements are not prepared.

### **Corporate Governance:**

Provisions of para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 are not applicable to your Company.

Hence, report on Corporate Governance is not annexed.

### **Loans, Guarantees and investments:**

The Company has not given any loan or guarantee nor has provided any security. The Company has made investments in shares and commercial properties details of which are provided in the financial statements.

### **Public Deposits:**

Your Company has not accepted any deposit from the public, its shareholders or employees during the year under review.

### **Conservation of Energy etc.:**

Information pertaining to conservation of energy, technology absorption and foreign exchange earnings and outgo as required under the provisions of Section 134 (3) (m) of the Companies Act, 2013 read the rules made there under, are as under, is annexed as Annexure I.

### **Transactions with related parties:**

All the transactions with related parties entered into during the financial year 2018-19 were on arm's length basis and also in the ordinary course of business. Details of all related party transactions are placed before the audit committee. The policy on related party transactions as approved by the Board of Directors is placed on the Company's website.

Since all the transactions with the related parties entered into by the Company were in ordinary course of business and were on arm's length basis, Form AOC-2 is not applicable.

## **Independent Auditor's Report**

### **To the Members of Ceenik Exports (India) Limited**

### **Report on the Standalone Financial Statements**

We have audited the accompanying Standalone Financial Statements of **CEENIK EXPORTS (INDIA) LIMITED** (“the Company”), which comprises of the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income) and the Statement of Cash Flows for the year then ended, statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

### **Managements Responsibility for the Standalone**

#### **Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and statement of changes in equity of the Company in accordance with the Indian Accounting principles generally accepted in India, including the accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor

considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income and its cash flows for the year ended on that date.

### **Emphasis of matter**

We draw attention to:

- i. The Company has not sought written confirmation in respect of trade receivable, trade payable, loan & advances, deposit receivable and deposit payable balances outstanding as at 31<sup>st</sup> March, 2020 and hence consequential reconciliation/adjustment may arise there from, if any.

- ii. Apart from expected credit loss as per Ind AS, the company has not made any other provision for losses as on 31<sup>st</sup> March, 2020.

### **Report on Other Legal and Regulatory Requirements**

- 1) As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and statement of change in equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
  - e) On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has pending litigations in the form of suits filed by Sundry Creditors for non-payment of dues. This would not have an impact on its financial position in its standalone financial statements. However, contingent liabilities have been disclosed by way of notes to accounts in the financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There has been no dividend declared by the company during the current financial year and hence there was no amount required to be transferred to the Investor Education and Protection Fund by the Company.
- 2) As required by the Companies (Auditor’s Report) Order, 2016 (“**the Order**”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “**Annexure B**” a statement on the matters specified in paragraphs 3 and 4 of the Order.

**(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Ceenik Exports (India) Limited of even date)**

### **REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)**

We have audited the internal financial controls over financial reporting of CEENIK EXPORTS (INDIA) LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **MANAGEMENTS RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITORS RESPONSIBILITY**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

### **LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Ceenik Exports (India) Limited of even date)**

- 1) In respect of Company’s Fixed Assets:
  - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
  - (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification. During the year, the company has transferred a substantial portion of its fixed assets to M/s Viking Advanced Technologies Private Limited (CIN: U28920MH1995PTC087833).
  - (c) According to the information and explanations given to us, the records examined by us and based on the examination of the details provided to us, we report that all the fixed assets held by the Company are in the name of the Company.
- 2) In respect of Company’s Inventory:
  - (a) According to the information given to us, physical verification of Inventory has been conducted by the management on a timely basis at reasonable intervals, having regards to the size of the Company and nature of business.
  - (b) No material discrepancies having an impact on the financial position of the company as on the said date were noticed during the physical verification of inventory.
- 3) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, LLP’s or any other parties covered in the registers-maintained u/s 189 of the Act.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- 5) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2019 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company. However, the company has taken interest free refundable security deposits from its trade parties; such deposits being reflected as deferred income in its financial statements as per Ind AS.
- 6) The maintenance of cost records has not been specified by the Central

Accompanying notes to the financial statements for the Year ended March 31, 2020

Note 1

**A Corporate information**

Ceenik Exports (India) Ltd. ('the Company') is in business of Garment Manufacturer and Renting of Immovable property. The Company is a public limited company incorporated in India and has its registered office at Mumbai, Maharashtra, India. The Company has its primary listing in BSE Ltd.

**B SIGNIFICANT ACCOUNTING POLICIES**

**1 Basis of preparation and presentation**

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements for all periods upto and including year ended 31 March 2017 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006 notified under Section 133 of the Companies Act ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) ("previous GAAP").

The financial statements for the year ended 31 March 2018 are the first financial statements prepared by the Company in accordance with Ind AS.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency.

**C Use of Estimates:**

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

**i) Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**ii) Deferred tax assets**

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

### iii) Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash flow can be reliably estimated. The timing of recognition and quantification of the liability require application of judgement to the existing facts and circumstances which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing the facts and circumstances

## D Property, Plant and Equipment

### i) Tangible Assets

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

### ii) Intangible Assets

Intangible assets includes software which are not integral part of the hardware are stated at cost less accumulated amortisation. Intangible assets under development represents expenditure incurred in respect of softwares under development and are carried at cost.

Assets acquired but not ready for use are classified under Capital work-in-progress or intangible assets under development, as the case may be.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its Intangible Assets and used that carrying value as the deemed cost of the Intangible Assets on the date of transition i.e. 1 April 2016.

## E Depreciation and Amortisation:

Depreciation on all fixed assets, except intangible assets, is provided on Written Down value method over the useful life of Asset and in the manner as prescribed by Schedule II of the Act.

## F Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

## **i) Financial Assets**

### **Initial Recognition**

In the case of financial assets not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

### **Subsequent Measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

#### **Financial Assets at Amortised Cost ( AC)**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

#### **Financial Assets Measured at Fair Value**

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its equity investments in subsidiaries, Joint Ventures associates and investment in partnership firm, if any, and used that carrying value as the deemed cost of these investments on the date of transition i.e. 1 April 2016.

## **G Impairment of Financial Assets:**

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

## **H De-recognition of Financial Assets**

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

### **b) Equity Instruments and Financial Liabilities**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### **Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

## **I Financial Liabilities**

### **i) Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

## **ii) Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below

### **Financial liabilities at FVPL**

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

### **Financial liabilities at amortised cost**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

## **iii) De-recognition of Financial Liabilities**

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

## **iv) Offsetting Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

## **J Impairment of Non-Financial Assets**

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

#### **K Trade receivables**

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

#### **L Trade payables**

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

#### **M Earnings Per Share**

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

## **N Cash and Cash Equivalents**

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

## **O Borrowing Costs**

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

## **P Revenue Recognition:**

- i) Revenue on sale of goods is recognized when all significant risks and rewards of ownership of the goods are passed on to the buyer and no significant uncertainty exists as to its realization or collection.
- ii) Rent Income is recognized on the basis of term with lessee.
- iii) Interest Income is recognized on a time proportion basis by reference to the principal outstanding and at the interest rate applicable.
- iv) Dividend is accounted on receipt basis.

## **Q Foreign Currency Transactions:**

### **a Initial Recognition**

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

### **b Conversion**

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

### **c Treatment of Exchange Difference**

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

## **R Inventories**

Inventories are valued at cost or net realizable value whichever is lower. Cost of property under construction held as inventory includes cost of purchases, construction cost, and other cost incurred in bringing the properties to their present location and condition

## **S Provisions and Contingent Liabilities and Assets:**

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent asset is not recognised unless it becomes virtually certain that an flow of economic benefits will arise.

## **T Employee Benefits**

### **i) Defined Contribution Plan**

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

### **ii) Defined Benefit Plan**

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

### **iii) Leave entitlement and compensated absences**

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

### **iv) Short-term Benefits**

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

### **v) Termination benefits**

Termination benefits are recognised as an expense as and when incurred.

## **U Accounting for Taxes of Income:-**

### **i) Current Taxes**

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

**ii) Deferred Taxes**

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**iii) Minimum Alternative Tax**

MAT is recognised as deferred Tax Assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised

**Notes forming part to the Financial Statement for the year ended March 31, 2020**

**Note 31 : Segment Reporting**

The Company's operating segments are established on the basis of those components that are evaluated regularly by the 'Chief Operating Decision Maker' as defined in Ind AS 108 - 'Operating Segments', in deciding how to allocate resources and in assessing performance. These have been identified taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

**a) Primary (Business) Segment:**

The Company has identified business segments as its primary segment, and there is no secondary segment. Business segments are primarily Garments Manufacturing and Investment in Realty & Securities. Revenues and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reportable segment have been allocated on the basis of associated revenues of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable. Fixed assets that are used interchangeably amongst segments are not allocated to primary and secondary segments.

C. Financial Risk Management

C.i. Risk management framework

**A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.**

C.ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument **fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables,** cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is a no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

#### B. Measurement of fair values

##### Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.
